

CURRICULUM VITAE

**FANG HUA LIN**

Courant Institute of Mathematical Sciences  
251 Mercer Street  
New York, NY 10012  
(212) 998-3137  
linf@cims.nyu.edu

ACADEMIC POSITIONS:

Sept. 1985–May 1987 Courant Institute Instructor, New York University  
Aug. 1988–Aug. 1989 Professor, University of Chicago  
Sept. 1989–Present Professor, New York University  
Sept. 2002–Present Silver Professor of Mathematics, New York University

HONORS and AWARDS:

1989 Alfred P. Sloan Research Fellowship  
1989-1994 Presidential Young Investigator  
1998 Outstanding Young Research award from NSF-China  
1999 ChangJiang Professorship ,Zhejiang University  
2002 AMS 2002 Bocher Prize  
2002 Silver Professor of Mathematics, New York University  
2002 Oversea Assessor for Chinese Academy of Science  
2004 Elected to the American Academy of Arts and Sciences  
2004 S.S.Chern Prize at ICCM

SELECTED INVITED ADDRESSES:

1989 Invited Speaker at AMS Eastern Section Meeting  
1990 Invited Speaker at Congress of Mathematics, Kyoto  
1994 Distinguished Visiting Professor Lecture Series, Iowa  
1995 Barrett Lecturer, University of Tennessee, Knoxville  
1997 Clifford Lectures, Tulane University

1997 XIV Courant Lectures, New York University  
2000 Invited speaker of AMS-HongKong Math.Soc meeting, Dec.2000  
2001 Pariere Analysis Seminar,2001  
2002 Invited speaker of AMS national meeting, Jan.2002  
2004 ICCM, Hongkong  
2004 Milton Brockett Porter Lectures, Rice University  
2004 Taft Lectures, University of Cincinnati  
2006 Distinguished Lectures, UC-Irvine  
2006 Howard Hayden Lectures, University of Kentucky  
2007 K.Nagle Lectures, University of South Florida  
2007 R.E.Phillips Lectures, Michigan State University  
2007 ICCM, Hangzhou, The Morningside Public Lecture

SELECTED JOURNAL EDITORIAL COMMITTEES MEMBERSHIPS:

1989–Present *Communications on Pure and Applied Mathematics*  
1992–Present *Calculus of Variations and Partial Differential Equations*  
1994–Present *Analyse non lineaire, IHP*  
2000–Present *Comm. in Analysis and Geometry*  
2001–Present *SIAM Journal of Mathematical Analysis*  
2004 – Present *Journal of Differential Geometry*  
2004 – Present *Mathematical Research Letters*

Ph.D. STUDENTS:

1. J. F. Grotowski, City University of New York, received Ph.D. in June 1990
2. Qing Han, University of Notre Dame, received Ph.D. in May 1993
3. Y. Tonegawa, Hokkaido University, received Ph.D. in August 1993
4. C. Girao Padilla, University of Mexico, received Ph.D. in August 1993
5. Chun Liu, Penn State University, received Ph.D. in August 1995
6. T. C. Lin, National Taiwan University, received Ph.D. in August 1996

7. Daniel Sprin, University of Minnesota, recieved Ph.D. in August 2001
8. F. B. Hang, New York University, recieved Ph.D. in August 2001
9. W. Q. Jiang, University of Pittsburgh, recieved Ph.D. in August 2003
10. Joy Ko, Brown University, recieved Ph.D. in June 2004
11. Current Students: Ben Galhouse, Hans Shmidheiser, Yong Yu, S.Y.Lee, D.Sohn.

PUBLICATIONS: 160+ research papers and three books and lecture notes.
